

Designated Building Product: **Class 1**

Version 1.0 August 2026

Declaration

Belgotex New Zealand Ltd (Belgotex NZ) has provided this declaration to satisfy the provisions of the [Building \(Building Product Information Requirements\) Regulations 2022](#).

Company Details

Name	Belgotex New Zealand Limited
Role	Supplier
NZBN	9429038353000
Address	25 Leslie Hills Drive, Riccarton, Christchurch 8011
Website	www.belgotex.co.nz
Email	info@belgotex.co.nz
Phone	0800-377-753

Description of Building Product

Belgotex NZ supplies a range of [Floating Floor Underlays](#) for installation beneath floating laminate and timber flooring in residential and commercial environments.

Belgotex NZ Floating Floor Underlays are foam underlays made from closed-cell, electron-beam crosslinked polyolefin foam with an outer skin and a clear polyethylene (PE) vapour barrier film. The underlays are available in roll form.

When installed, Floating Floor Underlays may contribute to G6 (Airborne and impact sound) or H1 (Energy efficiency) requirements. Compliance with these requirements needs to be established as part of the proposed flooring system.

Building Code Obligations

When installed in accordance with Belgotex NZ installation requirements, Floating Floor Underlays may contribute to compliance with the applicable performance criteria under the following Building Code clauses.

Building Code Clause	Contribution to Compliance
B2 (Durability) B2.3.1(c)	Belgotex NZ Floating Floor Underlays are manufactured under an ISO 9001 certified Quality Management System and have been reliably supplied and installed in buildings globally for over 5 years, demonstrating a strong track record of in-service performance.

Scope of use and Limitations

Scope	Limitation
For all building classified uses	• Belgotex NZ Floating Floor Underlays are for interior use only. • Substrate preparation must be undertaken according to NZS AS 1884 and the relevant flooring installation instructions. • Underlay and flooring must be laid in accordance with the relevant flooring installation instructions.
In connection with underfloor heating including in-slab piped water heating.	• Belgotex NZ Floating Floor Underlays are suitable for use with underfloor heating not exceeding 27°C.

Conditions of use

Belgotex NZ Floating Floor Underlay and the overlaying laminate or timber flooring must be installed by a qualified tradesperson in accordance with the relevant flooring installation instructions. The flooring must be maintained in accordance with the relevant flooring care and maintenance guidelines.

Additional Information

For all specification, installation, maintenance and warranty information, and all information supporting Belgotex NZ claims, refer to www.belgotex.co.nz.

Responsible Person

In accordance with Regulation 8, as the responsible person I confirm that the information supplied in this declaration is based on information supplied to the company as well as the company's own processes and is therefore, to the best of my knowledge, correct.

I can also confirm Belgotex NZ Floating Floor Underlays, as referred to in this statement, are not subject to a warning or ban issued under [Section 26 of the Building Act](#).

Signed for and on behalf of Belgotex New Zealand Limited
