Homestead Lane

Perfect luxury underfoot.

HOMESTEAD LANE | MEADOW

Colours shown may vary slightly from the actual product and should be used as a guide only.

Homestead Lane

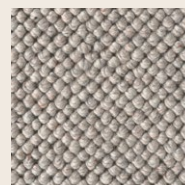

Homestead Lane brings tranquility, texture and warmth to New Zealand homes with its chunky loop pile construction. Crafted from 100% New Zealand wool and manufactured in Australia, this oversized loop pile carpet is incredibly soft and luxurious. Its natural warmth and character make this textured wool carpet an inviting foundation for everyday living.

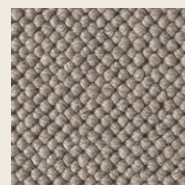

Available in six neutral tones, Homestead Lane celebrates the authentic texture and natural variations of New Zealand wool. Its soft, muted colour palette is shared with Boundary Rise and Auburn Ridge, our range of loop pile wool carpets designed to work in harmony with timber, stone and other natural materials to create welcoming, timeless interiors.
