

# Certificate

## Indoor Air Comfort Gold

Amtico LVT & Acoustic LVT

*Certified Product*

Amtico International

*Applicant*

The above product complies with the Indoor Air Comfort Gold specifications, version 8.0 (2022). These include both inspection of factory production and VOC emissions testing according to EN 16516, at regular intervals. Indoor Air Comfort Gold combines all key European and selected global requirements on VOC product emissions. Additional requirements not related to VOC product emissions, for example content of certain substances or odour are not combined or evaluated. The following VOC emission requirements are combined and the certified product shows compliance with these VOC emission related limit values:

- |                          |                            |  |  |
|--------------------------|----------------------------|--|--|
| - Belgian VOC regulation | - LEED (ACP)               | - Blue Angel DE-UZ 120                           | - Nordic Swan  |
| - France VOC class A+    | - BREEAM New Construction  | - Austrian Ecolabel UZ 42                        | - Eco Product Norway                                 |
| - Germany (AgBB/ABG)     | - WELL Building            | - Austrian Baubook                               | - Cradle to Cradle                                   |
| - Italian CAM Edilizia   | - DGNB                     | - M1   | - very low emitting products according to EN 16798-1 |
| - EU Taxonomy Regulation | - SKA Rating               | - Danish Indoor Climate Label (Emission Class 1) | - Singapore Green Label                              |
|                          | - French HQE certification | - BVB (Sweden)                                   | - Global GreenTag                                    |
|                          |                            | - Miljöbyggnad (Sweden)                          | - Declare 2.0  |

Issue date: 12 December 2022

Product type: Resilient floorings

Validity date: 30 September 2027

Certificate number: IACG-352-01-12-2022B

This certificate is valid as specified if regular surveillance and testing is done.
